## Course Overview.....

**Cardiovascular Interventions and Practice Guidelines (CIPG 2010)** is a multidisciplinary conference for general cardiologists, primary care providers, cardiovascular nurses, technicians and nurse practitioners jointly sponsored by Midwest Cardiovascular Research Foundation and the Genesis Medical Center. This symposium is designed to give a comprehensive update in various aspects of cardiovascular diseases and focuses on adhering to national guidelines. The invited faculty will provide attendees with practical tips useful in daily practice. All registrants will attend the session on Friday, October 8th. The session will open with a continental breakfast with a buffet lunch at noon and will conclude at 4:15p.m.

All activities for CIPG 2010 will be held at  
The Adler Health Education Center  
Genesis Heart Institute  
1236 E. Rusholme Street, Davenport, Iowa

# General Information

---

## Symposium Format

An invited distinguished faculty will conduct a one day program that includes didactic, up-to-date information on the current status and the future direction of cardiovascular medicine. Question and Answer sessions will allow an interactive discussion with multiple experts.

## Target Audience

The symposium is multidisciplinary and will be of interest to general cardiologists, endovascular specialists, primary care providers, fellows-in-training, cardiovascular nurses and nurse practitioners.

## Accreditation/CME, CEU, and Radiologic Technologists Credit

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Iowa Medical Society (IMS) through the joint sponsorship of Genesis Medical Center and the Midwest Cardiovascular Research Foundation. Genesis Medical Center is accredited by the IMS to provide continuing medical education for physicians.

Genesis Medical Center designates this educational activity for a maximum of 6.75 *AMA PRA Category 1 Credits*<sup>™</sup>. Physicians should only claim credit commensurate with the extent of their participation in the activity.

### Friday, October 8th:

Nursing: 8.1 contact hours awarded by the Iowa Board of Nursing Provider #59, Genesis Medical Center, Davenport, Iowa. This program may be used for 6.75 contact hours for ANCC recertification.

All others: You may be eligible for up to 8.1 continuing education hours. Refer to your administrative guidelines.

Radiologic Technologists: Credits applied for from IDPH and IDNS.

## Conflict of Interest

It is the policy of the Genesis Medical Center and Midwest Cardiovascular Research Foundation to ensure balance, independence, objectivity, and scientific rigor in all its sponsored educational programs. All faculty participating in continuing medical education activities sponsored by the Genesis Medical Center are required to disclose to the program audience any real or apparent conflict of interest related to the content of their presentations. All faculty members are also required to disclose any discussions of unlabeled/unapproved uses of drugs or devices.

## Special Assistance

Genesis Medical Center and Midwest Cardiovascular Research Foundation wish to ensure that no individual with a disability is excluded, denied services, segregated or otherwise treated differently from other individuals because of the absence of auxiliary aids or services identified in the Americans with Disabilities Act. Please contact to notify us of your needs.

## CIPG 2009 Expo

Please take time to visit the companies that help make this CIPG 2010 Seventh Annual Scientific Sessions a reality. Best visiting times are during lunches and breaks. Exhibit hours will be on October 8<sup>th</sup> from 7: 30 a.m. to 4:00 p.m.

---

## Learning objectives

CIPG 2010 scientific sessions will provide attendees with the opportunity to learn about many new aspects of interventional and general cardiology. Upon completion of this course, participants should be able to:

- ♥ Discuss and know the management of lipids and diabetes in the cardiovascular patient to implement into practice
- ♥ Review and know about anticoagulants and antiplatelets in the management of the cardiac patient
- ♥ Cite pivotal trials on the new drug eluting stents and share the Genesis DES stent experience in a subset of patients
- ♥ Review sudden cardiac death and how to prevent it for better outcomes with patients
- ♥ Discuss and know the management of hypertension
- ♥ Explain and know how device based management of peripheral arterial disease
- ♥ Discuss and know CT angiography and its clinical applications

## Commercial Sponsors

**Astellas Pharmaceuticals**

**Bristol-Myers Squibb**

**Boston Scientific**

**Eli Lilly/Daiichi Sankyo**

**Medtronic Vascular**

**St. Jude Medical**

**Takada Pharmaceuticals**

# Conference Schedule

---

*Friday, October 8, 2010*

*Moderators*

*Nicolas W. Shammass, MD, MS*

*Eric J. Dippel, MD*

- 7:30-8:00a      *Registration / Continental Breakfast*
- 8:00-8:50a      *Management of Dyslipidemia: Statins, Fenofibrates, Ezetimibe and Beyond*  
*Peter P. Toth, MD, PhD*
- 8:50-9:40a      *Preventing Sudden Death in High Risk Patients — Presentation of a Taped Case*  
*Blair Foreman, MD*
- 9:40-10:00a      *Refreshment Break*
- 10:00-10:50a      *Acute and Chronic Hypertension Management*  
*Nidal Harb, MD*
- 10:50-11:40a      *When and How to Treat Peripheral Arterial Disease: A Review of the Tool Box*  
*Eric Dippel, MD*
- 11:40-12:30a      *Lunch*
- 12:30-1:20 p      *Calcium Scoring and CT Angiography*  
*TBA*
- 1:20-2:10p      *Antiplatelet Therapy in the Treatment of Patients with Acute Coronary Syndrome: An Update*  
*Nicolas W. Shammass, MD, MS*
- 2:10-2:30p      *Refreshment Break*
- 2:30-3:20p      *Drug Eluting Stents: The Genesis Medical Center Experience*  
*Nicolas W. Shammass, MD, MS*
- 3:20-4:00p      *Diabetes Management: A Review of Pharmacology*  
*Danita Harrison, ARNP*
- 4:00-4:15p      *Q & A (15 minutes), Evaluation, CME/CEU Certificate*  
*Adjourn*
- 

# Registration Form

Cardiovascular Interventions and Practice Guidelines  
CIPG 2010  
October 8, 2010

The Adler Health Education Center  
Genesis Heart Institute  
1236 E. Rusholme Street  
Davenport, IA 52803

## REGISTRATION FEE

Registration fee is \$30 for each attendee. Registration includes meals, breaks and any handout materials. Make checks payable to Midwest Cardiovascular Research Foundation and mail with your registration form.

## PARKING....

Participants may not park in the parking lot (garage) between the Heart Institute and the Medical office buildings as that is reserved for patients. Participants may use the north lot behind the Edgerton's Women's Health Center. "Event Parking" signs will be posted to direct participants.

## FRIDAY, OCTOBER 8, 2010

Working Lunch 11:40a.m.-12:30p.m.  Will attend.  Unable to attend.

Please indicate if you will be attending lunch.
