Peter Sharis, MD  
Interventional Cardiologist  
Cardiovascular Medicine, PC  
Davenport, IA

Matthew Wilber, DPM  
Podiatric Surgeon  
QuadCities Family Foot and Ankle Specialists, PC  
Davenport, IA

Course Overview………..

Cardiovascular Interventions and Practice Guidelines (CIPG 2008) is a multidisciplinary conference for general cardiologists, primary care providers, cardiovascular nurses, technicians and nurse practitioners jointly sponsored by Midwest Cardiovascular Research Foundation and the Genesis Medical Center. This symposium is designed to give a comprehensive update in various aspects of cardiovascular diseases and focuses on adhering to national guidelines. The invited faculty will provide attendees with practical tips useful in daily practice. All registrants will attend the Peripheral Arterial Disease Session on Friday, October 10th, and the Cardiology Session on Saturday, October 11th. The Friday session will be preceded with an open buffet lunch followed by a taped case on carotid disease stenting.

All activities for CIPG 2008 will be held at  
The Adler Health Education Center  
Genesis Heart Institute  
1236 E. Rusholme Street, Davenport, Iowa
Symposium Format

An invited distinguished faculty will conduct a day-and-a-half program that includes didactic, up-to-date information on the current status and the future direction of cardiovascular medicine. Question and Answer sessions will allow an interactive discussion with multiple experts.

Target Audience

The symposium is multidisciplinary and will be of interest to general cardiologists, endovascular specialists, primary care providers, fellows-in-training, cardiovascular nurses and nurse practitioners.

Accreditation/CME and CEU Credit

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Iowa Medical Society (IMS) through the joint sponsorship of Genesis Medical Center and the Midwest Cardiovascular Research Foundation. Genesis Medical Center is accredited by the IMS to provide continuing medical education for physicians.

Genesis Medical Center designates this educational activity for a maximum of 10.5 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Friday, October 10th:
Nursing: 4.0 contact hours awarded by the Iowa Board of Nursing Provider #59, Genesis Medical Center, Davenport, Iowa. This program may be used for 4.0 contact hours for ANCC recertification.

All others: You may be eligible for 4.0 continuing education hours. Refer to your administrative guidelines.

Physicians: 4 Credits, Category 1.

Saturday, October 11th:
Nursing: 7.8 contact hours awarded by the Iowa Board of Nursing Provider #59, Genesis Medical Center, Davenport, Iowa. This program may be used for 6.5 contact hours for ANCC recertification.

All others: You may be eligible for 6.5 continuing education hours. Refer to your administrative guidelines.

Physicians: 6.5 Credits, Category 1

Conflict of Interest

It is the policy of the Genesis Medical Center and Midwest Cardiovascular Research Foundation to ensure balance, independence, objectivity, and scientific rigor in all its sponsored educational programs. All faculty participating in continuing medical education activities sponsored by the Genesis Medical Center are required to disclose to the program audience any real or apparent conflict of interest related to the content of their presentations. All faculty members are also required to disclose any discussions of unlabeled/unapproved uses of drugs or devices.

Special Assistance

Genesis Medical Center and Midwest Cardiovascular Research Foundation wish to ensure that no individual with a disability is excluded, denied services, segregated or otherwise treated differently from other individuals because of the absence of auxiliary aids or services identified in the Americans with Disabilities Act. Please contact to notify us of your needs.

CIPG 2008 Expo

Please take time to visit the companies that help make this CIPG 2008 Fifth Annual Scientific Sessions a reality. Best visiting times are during lunches and breaks. Exhibit hours will be on October 10th from 1:00 p.m. to 5:00 p.m. and again October 11th from 7:30 a.m. to 4:00 p.m.
Learning objectives

CIPG 2008 scientific sessions will provide attendees with the opportunity to learn about many new aspects of interventional and general cardiology. Upon completion of this course, participants should be able to:

♥ Discuss current indications and risks of carotid angioplasty and stenting
♥ Describe venous disease and its management
♥ Explain wound management techniques with a focus on debridment, VAC therapy, and bioactive wound healing
♥ Identify the application of various “tools” to treat critical limb ischemia
♥ Discuss the management of lipids and diabetes in the cardiovascular patient
♥ Discuss anticoagulants and antiplatelets in the management of the cardiac patient
♥ Cite pivotal trials on the new drug eluting stents
♥ Discuss the future of valvular disease management
♥ Describe implantable defibrillators: indications and safety
♥ Explain atrial fibrillation treatment techniques
♥ Discuss cardiac resynchronization therapy
♥ Examine the COURAGE Trial and its impact on the therapy of angina and coronary artery disease
♥ Outline new therapies for hypertension with a focus on the renin angiotensin aldosterone system blockers

Conference Schedule

Friday, October 10, 2008

PERIPHERAL VASCULAR SESSION

Moderators
Nicolas W. Shammas, MD, MS
Eric J. Dippel, MD

12:00-12:45p Lunch Buffet for Registrants and Sponsors
1:00-1:10p Welcome and Program Overview (Nicolas W. Shammas, MD, MS)
1:10-2:00p Carotid Angioplasty and Stenting: Current Indications and Presentation of a Taped Case (Eric J. Dippel, MD)
2:00-2:50p Treatment of Venous Disease: When and Why? (Richard Sadler, MD)
2:50-3:10p Refreshment Break
3:10-4:00p Wound Management: a Focus on Debridment, VAC Therapy, and Bioactive Wound Healing (Matthew Wilber, DPM)
4:00-4:50p Peripheral Vascular Disease: A Global Strategy for Treatment (Nicolas W. Shammas, MD)
5:00p Adjourn

Saturday, October 11, 2008

CARDIOLOGY SESSION

Moderators
Nicolas W. Shammas, MD, MS
Blair Foreman, MD
Eric Dippel, MD

7:30-8:00a Continental Breakfast
8:00-8:30a Hyperlipidemia Management (Ramesh Kumar Raman, MD)
8:30-9:00a New Therapies for Hypertension: Focus on the Renin Angiotensin Aldosterone system Blockers: ACEI, ARB and Aliskiren (Ramesh Kumar Raman, MD)
9:00-9:30a Type 2 Diabetes and the Heart: A Treatment Algorithm (Danita Harrison, ARNP)
9:30-10:00a Q&A (15 min.) and Refreshment Break (15 min.)
10:00-10:30a Imaging Vulnerable Plaque: The Future Is Here! (Nicolas W. Shammas, MD, MS)
10:30-11:00a Current Drug Eluting Stents and the Next DES Generations (Peter Sharis, MD)
11:00a-11:30p The Future of Valvular Disease Management: From a Surgical Approach to a Percutaneous Approach (Nick Augelli, MD)
12:00-1:00p Lunch
1:00-1:30p Implantable Defibrillators: Indications and Safety (Blair Foreman, MD)

1:30-2:00p Atrial Fibrillation Cure: Is It Possible? A Review of Percutaneous Ablation Techniques (Blair Foreman, MD)
2:00-2:30p Cardiac Resynchronization Therapy: Rationale and Current Applications (Mark Kovach, MD)
2:30-3:00p Q&A (15 min.) and Refreshment Break (15 min.)
3:00-3:30p The COURAGE Trial: Impact on Practice and Focus on Medical Therapy of Angina and Coronary Artery Disease (Rafat Padaria, MD)
3:30-4:00p Anticoagulants and Antiplatelet Drugs in the Management of the Cardiovascular Patient (Nicolas W. Shammas, MD, MS)
4:00-4:15p Q&A (15 min.) Evaluations, CME/CEU Adjourn
Registration Form

Cardiovascular Interventions and Practice Guidelines
CIPG 2008
October 10 & 11, 2008

The Adler Health Education Center
Genesis Heart Institute
1236 E. Rusholme Street
Davenport, IA  52803

REGISTRATION FEE
$25 fee to attendees. Registration includes meals, breaks and handout materials. Receipt of payment assures registration. Make checks payable to Midwest Cardiovascular Research Foundation and mail with your registration form.

PARKING....
Participants may not park in the lot between the Heart Institute and the Medical office buildings as that is reserved for patients. Participants may use the lot behind the Edgerton's Women's Health Center.

MAIL OR FAX REGISTRATION TO:
